Dear Harold,

The article "F.B.I.
Tried To Ban Spy Book" recalls
the color publishing history
of Whitewash. Although
Sullivan is mentioned, De
Loach was the F.B.I. "Media
Man".

The Newsweek article
on Schweikart is a perfect
symbol of Establishment
Media attitude towards
anyone who questions The U.R.
Nato Time and Newsweek
never carried a line on
Schweikart's Report. The
little he did was still
too much for the same
Sausage Set.
